

Christmas Card Contest

FOCUS, the Fellowship of Catholic University Students, is looking for artwork to place on our 2006 Christmas Card. This Christmas card will be used by FOCUS staff to send to their ministry partners and family members. We want to share with them the talent of our staff and/or students on campus.

Prize: \$200

As the birth of our Lord has inspired so many masterpieces of art over the centuries, may it continue to inspire us to draw closer to Him today.
